## The 1st Indonesian Scientific Meeting on Obstetric Anesthesia & Critical Care (ISMOAC)

“Optimizing Strategies to Reduce Maternal Perinatal Morbidity and Mortality:  
Saving Lives, Saving the Future”

June 26<sup>th</sup> - 29<sup>th</sup>, 2019  
Royal Ambarrukmo Hotel Yogyakarta

# INVITATION TO PARTICIPATE

Dear Colleagues,

Some complication in Obstetric Anesthesia can result in either fatal or near fatal condition leading to the high rate of maternal mortality and morbidity (MMR) in fact, in Indonesia the MMR is still high. Therefore, we would like to invite you to participate in “The 1st Indonesian Scientific Meeting on Obstetric Anesthesia & Critical Care (ISMOAC)” that will take place in Yogyakarta on 26–29th June 2019. This very first symposium is designed to emphasize the importance of obstetric anesthesia and critical care from early detection to the management of the complication that may arise. Topics concerning this meeting will equally be distributed in the designed workshops and symposium.

Highly competent speakers from many parts of Indonesian and overseas anesthesiologists expert in obstetric anesthesia and critical care are planned to share their experiences and knowledge on the recent advances in the field of anesthesia in the frame of evidence-based. We strongly suggest that ISMOAC be the best event for developing your skill and knowledge in obstetric anesthesia and critical care

Not only will you receive updates on our topics of interest, but you will also be invited to enjoy the beauty of mount Merapi with the amazingly great experience of Lava tour, Open-Air Ramayana Dance, and some magnificent temples. We are sure that you will enjoy your stay in the special region of Yogyakarta.

We look forward to hearing your participation soon.

Best Regards  
Yusmein Uyun, MD
